Request to Participate in the en.lighten Global Efficient Lighting Partnership Program

I, _____, serving in my capacity as the United Nations Environment Programme (UNEP)/ Global Environment Facility (GEF) en.lighten, National Focal Point or equivalent function, hereby formally express the interest of the Government of _____ to participate in the Global Efficient Lighting Partnership Program. **My country wishes to participate in the following capacity:**

- As a **PARTNER**, I will receive comprehensive technical support from the en.lighten Secretariat for the development of a National Efficient Lighting Strategy. An integrated approach for designing policy measures for the transition will be adopted according to my specific country requirements. I will also receive international public recognition at Rio+20 in the form of an Efficient Lighting Award.
- As a **PARTICIPANT**, I will receive guidance from the en.lighten Secretariat on the optimal design and implementation of lighting policies for the transformation to energy efficient lighting.
